

My name is Jonathan.

In my town there are some shops: the chemist's, the baker's, the butcher's, the newsagent's and the sweet shop.

The chemist's is near the hospital, and the baker's is between the chemist's and the butcher's. The sweet shop is near the school. At the sweet shop there are sweets and candies.

It's my favourite shop.

1- What can Jonathan buy at the sweet shop?
